Dear Mr. Colletto:

The Atlanta Committee for the Olympic Games (ACOG) would like to thank Myrtha Pools for your contribution to the 1996 Centennial Olympic Games.

The Centennial Olympic Games require nothing less than the best facilities and sports equipment possible for the most significant competition in the history of the Olympic Games. To do this, we are selecting equipment such as the Myrtha Pools' water polo pool, which will guarantee top performances and highlight each athlete's skill during the 1996 Atlanta Centennial Olympic Games.

Again, thank you for your cooperation and support.

Sincerely,

Dave Maggard
Managing Director of Sports
