MONTRÉAL
2005

Mr. Giorgio Colletto
President
Piscine Castiglione Via Solferino 27
46043 Castiglione d/Stiviere (MN), Italy

Dear Giorgio:

CONGRATULATIONS !!!! As the Vice President, Competitions for Montreal 2005 host of the XI FINA World Aquatic Championships, I must state that the seven Myrtha pools we used were outstanding.

The nine world records set in the main competition pool are a good indication of the quality and technology your company provides in designing and constructing the pools. We were all very impressed by the look and finishing of the pools and the wonderful overflow gutter systems. Virtually no turbulence and a very easy pool to keep clean with minimum water circulation noticeable.

The training pool for the swimmers was a great success with its free form side and cushioned-floor. This will be an excellent legacy pool for the young children of Montreal.

The larger Diving pool with its five meter depth was perfect for the diving event. Many complements were received by athletes, coaches and officials about the magnificent quality of the pools.

It was most interesting also, to use four of your temporary pools for the sports of water polo and synchronized swimming. All venues were perfect and the ability to design a pool to exact dimensions so that the audience can be seated closer to the competition was excellent. We had no issues with respect to any of your products, only complements!

I would also be remiss not to mention the skill, patience, and flexibility of the crews which installed these terrific pools. Trevor Tiffany and the gentlemen who were responsible for installations did a truly outstanding job. They had many obstacles to overcome as the timeframe required was extremely tight and the venue itself was a multifaceted construction site, but they delivered on time and with a great attitude..

Giorgio, you should be very proud of your people and your product. The choice of Myrtha Pools was one of the best decisions we made at Montreal 2005.

Well done !

Kind regards

Harold G. Cliff
Vice President, Competitions
