Myrtha Pools is a family owned company with over 48 years of experience in the pool industry. Since 1961, Myrtha Pools has developed its technology to be installed in over 70 countries and continues to be the leader of innovative technologies, construction and design. Myrtha Pools is a global distributor with its USA headquarters based in Sarasota, Florida and its European Headquarters in Castiglione, Italy. By designing and manufacturing the majority of its components Myrtha Pools also maintains 360 degrees of coverage in the pool market.

Why and What is Myrtha Pools?

Myrtha is simply the most exclusive and advanced technology in the swimming pool industry. Its patented pre-engineered modular laminated steel panels and buttress system enables Myrtha to obtain perfect waterproofing, efficient installation and low maintenance pools suitable for almost any environment. As a result of Myrtha technology, Myrtha Pools have virtually unlimited life spans creating a pool that not only eliminates traditional problems of pool construction and maintenance, but its competitors as well. Myrtha Pools maintains options for all aquatic needs and any budget thus making the choice for a Myrtha Pool simply the best!

Myrtha Technology and design collaborate in the most imaginative ways when it comes to municipal projects. Myrtha takes special care to integrate the unique culture of each community into every project's vision and the wide array of accessories ensures a pool that's one of a kind. This is done with the utmost mindfulness of taxpayer resources and the low maintenance of a Myrtha Pool guarantees to keep costs down for years to come. The adaptability of a Myrtha Pool suits all requirements found in both public and commercial use and is currently the most breakthrough technology in the market. Consequently, Myrtha delivers pools that consistently and successfully bring neighborhoods together.
